

Pukekohe Sale Livestock Report

6th April 2024

Pukekohe's Saturday cattle auction saw another good-sized yarding of cattle sell well to recent rates, which was pleasing as there was noticeably less people at the auction! However, those that were, bid on some very nice quality stock and prices were consistently good throughout the sale. As the weather cools down, buyers tend to prefer to buy the better-quality cattle, so any lesser bred or poor-quality types tend to be penalised.
