If for any reason you do not agree with the proposed addresses or you wish to suggest alternate addresses please contact us within ten days. Your comments will be taken into consideration when applying the final addresses.

Please note, the addresses are currently only proposed addresses and therefore may be subject to change. If there are changes to the above proposed addresses at Section 224c Certificate stage, we will inform you in writing.

The allocated proposed addresses will be adopted as the final addresses unless Council receives application to amend.

In the interim please ensure:

- 1) The address displayed on any mailbox or signage is changed and repositioned if necessary to an appropriate place on the property readily visible from the road to assist providers of emergency services, New Zealand Post and utilities services to locate the property easily.

(Note: Street numbers for premises must be 75mm or more in height.)

- 2) Where your property is leased or tenanted it is your responsibility to advise the occupants of the correct street address.
