- 2) Displayed numbers on letterboxes, are at least 25mm high.
- 3) If your property is on a corner site, the mailbox is placed on the correct road.
- 4) Where your property is leased or tenanted that you advise the occupants of the correct street address. This is your responsibility

Auckland Council allocates street numbers under section 319B of the Local Government Act 1974 and the current New Zealand and Australian addressing standards
