

# Pukekohe Sale Livestock Report

11<sup>th</sup> November 2023

Saturday's Pukekohe cattle auction saw good numbers of stock on offer, and they all sold well. Weaner cattle sold extra well as did some medium sorts of yearling cattle. The killable market is very volatile. Cattle are penalised for being too light and also being too heavy! Lucky farmers are a resilient bunch!

Cattle	Lowest-Highest Price		Price Per Kilo
	\$/Head	\$/Head	Range
Prime steers	\$1,640	\$2,050	\$2.80 - \$2.99
