

Pukekohe Sale Livestock Report

18th November 2023

Saturday's cattle auction at Pukekohe saw prices surprisingly buoyant despite continued pressure on killing space and the schedule continuing its downward trends. Good buyer turnout is always the key, and fortunately, the buyers did turn up! Young cattle sold particularly well, especially in comparison to some centres where values have eased significantly in recent times.

Cattle	Lowest-Highest Price		Price Per Kilo Range
	\$/Head	\$/Head	
Best prime steers	\$1,635	\$1,960	\$2.85 - \$2.95
