

# Pukekohe Sale Livestock Report

20<sup>th</sup> January 2024

Wow! Another very strong cattle auction was held at Pukekohe on Saturday! Despite very hot, humid conditions, another good bench of buyers attended and competed strongly for fewer numbers, but some very good quality on offer. This solid store market is driven by great grass growing conditions, which is a real bonus after the scary drought predictions that were circulating pre-Christmas!
