

Pukekohe Sale Livestock Report

Saturday 5th September 2020

Saturday's Pukekohe cattle auction saw a good bench of buyers in attendance after 3 weeks without sales due to COVID-19 lockdown. Prices were very solid throughout with best steers to \$1,870/\$3.09kg. Weaner cattle sold exceptionally well, with demand for all on offer. Hopefully a little more rain will really ignite spring growing conditions and the market should remain buoyant.
