PUKEKOHE SALE

Saturday 8th August 2020

Pukekohe saw its smallest sale (numbers wise) for some time, as prime cattle numbers follow seasonal trends and become scarcer and store cattle have been traded in large numbers earlier as dry conditions encouraged early selling.

Good quality cattle always sell at a premium, but this is particularly evident this season as farmers are very aware of a significantly dry spring and summer making things interesting on the farm!

CATTLE	\$/Head	\$/Head	\$/Kg
Best prime steers	\$1,640	\$2,120	\$2.82 - \$3.03
Plain forward steers	\$1,100	\$1,230	\$2.42 - \$2.87
Very plain 18-month steers	\$670	\$970	\$1.90 - \$2.30
Medium weaner steers	\$490	\$695	\$3.95 - \$4.39
Medium prime heifers	\$1,250	\$1,700	\$2.65 - \$2.78
Plain store heifers	\$855	\$1,000	\$2.42 - \$2.63
Medium weaner heifers	\$340	\$550	\$2.60 - \$3.78

Vendors paid 6 days by Direct Credit - 7 days by cheque
